

# Free resources & services in support of research

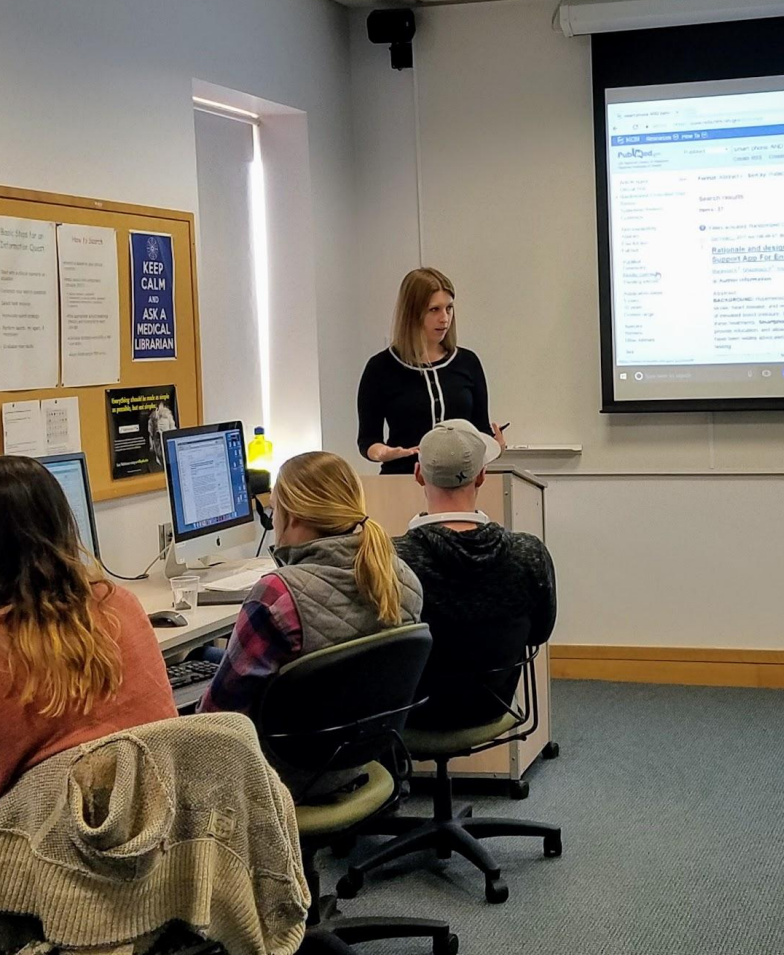

*Yale Harvey Cushing / John Hay Whitney Medical Library*

Welcome to Yale!  
The Cushing/Whitney  
Medical Library is here for  
you & your research.

In this presentation, we'll cover free  
services, resources, and programs  
available to you while you're at Yale.

[library.medicine.yale.edu](http://library.medicine.yale.edu)

# Research & Education Services

We offer consultations, tutorials, & guides on topics such as:

- Searching the literature
- Citation management
- Research data management
- IACUC searching for alternatives

[library.medicine.yale.edu/classes](https://library.medicine.yale.edu/classes)

# Bioinformatics

Our program includes:

- Consultations
- Databases and software
  - Knowledge bases and DIY analysis/visualization tools including IPA, MetaCore, Partek Flow, Qlucore, BIOBASE, BioCyc
- Trainings and presentations

[library.medicine.yale.edu/bioinformatics](http://library.medicine.yale.edu/bioinformatics)

# Systematic Review Service

Librarians as co-authors on systematic review teams:

- Select appropriate databases for search topic
- Devise search strategies
- Obtain all PDFs for screening
- Write the literature search methodology section

[guides.library.yale.edu/searching](https://guides.library.yale.edu/searching)

## The materials you need - on & off campus

- Check out books and more for up to a year at a time
- [Access library materials remotely through the VPN](#)
- [Access materials Yale doesn't own through interlibrary loan](#)

[search.library.yale.edu/catalog](https://search.library.yale.edu/catalog)

# The tools to succeed

- [ITS Software Library](#)
  - Adobe Suite
  - EndNote
  - ...and more!
- Free cloud storage with Box
- IT help desk in CWML lower level

[its.yale.edu](https://its.yale.edu)

# Statistics Consultants

StatLab consultants can help you:

- Select an appropriate tool for your project
- Decipher error messages
- Learn how to use certain software packages
- Figure out appropriate models for your data sets

[statlab.stat.yale.edu/walkin\\_help](https://statlab.stat.yale.edu/walkin_help)

# Yale University Libraries

Within the YUL system, you'll find support for:

- Business
- Law
- GIS
